

TURBOFLEET 15W-40

Extra High Performance Heavy Duty Diesel Engine Oil

Specification and Approvals

API CI-4/SL, ACEA E3, E5, E7, B2, A3; MB 228.3; MAN M 3275; VOLVO VDS-3; Cummins CES 20072/1/6/7/8; RVI RLD RD-2; MTU TYPE 2; MACK EO-M; ZF TE-ML 07C.

Description

TurboFleet 15W-40 is a premium quality high performance multigrade engine oil for a variety of classic and modern engines, high output engines, including those with Exhaust Gas Recirculation (EGR) working under severe conditions. TurboFleet 15W-40 helps extend engines life in the most demanding on highway and off roads driving. It meets or exceeds the specifications of most major engine manufacturers.

Features and Benefits

TurboFleet 15W-40 is particularly efficient in modern diesel but also in gasoline engines. It provides the potential advantages below:-

- ◆ Outstanding pumpability and circulation to minimize wear during engine start.
- ◆ Excellent viscosity/temperature control that reduces engine wear and cylinders polishing.
- ◆ Exceptional detergency and dispersancy to control sludge and deposits buildup.
- ◆ Excellent shear stability to maintain correct viscosity and to reduce oil consumption.

Applications

- ◆ Naturally aspirated and turbo-charged modern diesel and petrol engines,
- ◆ On-highway light and heavy-duty passenger and commercial vehicles,
- ◆ Off highway industries: construction, mining, quarrying, and agriculture equipment.

Typical Properties

Test Parameters		Test Method	Turbofleet 15W-40
Grade SAE			15W-40
Viscosity @ 40°C	mm ² /s	ASTM D 445	101.3
Viscosity @ 100°C	mm ² /s	ASTM D 445	14.1
Viscosity Index		ASTM D 2270	141
TBN	mg KOH/g	ASTM D 2896	12
Pour Point	°C	ASTM D 97	-33
Flash point (COC)	°C	ASTM D 92	236
Density @ 20°C	kg/l	ASTM D 4052	0.884

The typical characteristics mentioned represent mean values

Health and Safety

This product used as per our recommendation for the intended application is not expected to produce any particular risk. A safety data sheet of it is available upon request from our sales contact office or on our website. In case of used oil disposal, please respect the Regulations to protect the environment.
