

DURAMAX TD 15W- 40

High Performance Diesel Engine Oil

Specification and Approvals

API CF-4/SG; ACEA E2; MB 228.1; MIL-L-2104E; MAN 275, VOLVO VDS

Description

Duramax TD 15W-40 is a high performance diesel engine oil blended using high quality base oil and advanced additive package to meet major engine manufacturer requirements. It is particularly efficient for modern engines but also for older engine types.

Features and Benefits

- ◆ Anti-oxidation, anti-rust and anti-corrosion properties for super engine protection and performance.
- ◆ Excellent detergency and dispersancy level for maximum engine cleanliness, sludge & deposit control and extend engine life
- ◆ Good Shear stability to reduce oil breakdown and consumption

Applications

- ◆ Naturally aspirated and highly rated turbo-charged diesel engines operating under severe conditions, mixed fleet application for simplified and rationalized oil stocking.
- ◆ Start-stop and on-highway constant driving for light and heavy-duty vehicles.
- ◆ Off-road machines used in construction, mining, quarrying, agriculture, etc.

Typical Properties

Test Parameters	Test Method	Duramax TD 15W-40
Grade SAE		15W-40
Viscosity @ 40°C mm ² /s	ASTM D 445	102
Viscosity @ 100°C mm ² /s	ASTM D 445	14
Viscosity Index	ASTM D 2270	142
TBN mgKOH/g	ASTM D 2896	11.6
Pour Point °C	ASTM D 97	-33
Flash point (COC) °C	ASTM D 92	236
Density @ 20°C kg/l	ASTM D 4052	0.884

The typical characteristics mentioned represent mean values

Health and Safety

This product used as per our recommendation for the intended application is not expected to produce any particular risk. A safety data sheet of it is available upon request from our sales contact office or on our website. In case of used oil disposal, please respect the Regulations to protect the environment.
